ABOUT US

Professional Neon Advertising has been in the business since 2006. We start as specialist in outdoor and indoor advertising company. Over the years we have ventured into various business related to same industry using our in-house resources equipped with latest machineries and a well trained team to handled that.

Our goal is been same from the beginning to give best products and services to our valued customers. We are team of young, energetic and highly motivated professionals who aim to achieve best customers satisfaction that we can offer. We have served prestigious and high profile companies in the country. For a small span of time, we are one of the key players in the signage industries today and continue in aiming to be the best. Whatever your advertising requirements, we will make it for you.

In time we update ourselves with more trained professionals, latest machinery and transport to serve better.

We have machines like large format digital printer, CNC router machine, plotting/drawing/vinyl cutting machine, sand blasting machine and other equipment used in sign industry.
