Professional Neon Advertising has been in the business since 2006. We start as specialist in outdoor and indoor advertising company. Over the years we have ventured into various business related to same industry using our in-house resources equipped with latest machineries and a well trained team to handled that.

The right choice for every brief. Professional Neon produces high-quality exterior advertising solutions for businesses across a diverse range of industries, helping everyone better market their products and services. With experience working with both the largest, most established corporations and the smallest, newest companies, we can develop the ideal solution for your signage needs.

We understand that the need for on-brand, eye-catching signage is universal, so we strive to offer a diverse range of packages to suit the requirements of organisations of every size and on every budget. We will work in close collaboration with you to develop a tailored solution that cost-effectively raises the profile of your business, helping you increase customer awareness of your product or service. Browse our portfolio and find out what we've achieved in the past.

REACHING YOUR CUSTOMERS WHEREVER THEY ARE

In time we update ourselves with more trained professionals, latest machinery and transport to serve better.
